Associate Professor Zoita Berinde
Department of Chemistry and Biology
North Univ. Center at Baia Mare
Technical University of Cluj-Napoca
430083, Romania

Dear Associate Professor Zoita Berinde,

On behalf of Faculty of Science, Naresuan University, I would like to cordially invite you to be the consultant for the PhD Students involving doing research in the field of Mathematics at the Department of Mathematics, Faculty of Science, Naresuan University during November 21-27, 2013.

We hope that your visit will contribute to the improving of the scientific and academic collaboration between our universities.

The costs for your visit including domestic airfares and accommodations will be covered by Center of Excellence in Mathematics, Faculty of Science, Naresuan University, Thailand.

We are looking forward to receiving your favorable consideration.

Sincerely yours,

(Professor Dr.Somyot Plubtieng)
Dean of the Faculty of Science
Naresuan University

Dear Associate Professor Zoita Berinde,

On behalf of the Department of Mathematics, Faculty of Science, King Mongkut's University of Technology Thonburi (KMUTT), I am very pleased to invite you to visit our department to conduct some researches and to give a series of lecture in the field of Science for our students and faculty members during January 15-26, 2015.

We hope that your visit will contribute to the improvements and developments of scientific and academic collaboration between our universities.

The costs made during your visit which include the airfares and accommodation will be covered by the Royal Golden Jubilee Ph.D. (RGJ-PHD) scholarship from the King Mongkut's University of Technology Thonburi (KMUTT) and Thailand Research Fund (TRF).

We are looking forward to receiving your favorable consideration.

Sincerely yours,

(Assoc.Prof.Dr.Poom Kumam)

Dear Associate Professor Dr. Zoita Berinde,

It is with great pleasure that I write to invite you to deliver an invited course on the topic "Graph Theory from the Point of View of its Applications in Organic Chemistry" to our Bachelor Degree students from the programme Mathematics and Informatics and to our Master Degree students from the programme Information Technologies in Mathematics and Informatics Education in the period 14-20 January 2016.

We hope you are able to accept this invitation. Please inform us in due time on your willingness and availability in the proposed period.

We look forward to seeing you in Ruse, Bulgaria.

We would like to offer to cover your accommodation costs.

All travel costs will be covered by your University.

Yours sincerely,

Assoc. Prof. Dr Emilia Velikova, Vice Dean
